Re: *SEC v. Ripple Labs, Inc. et al.*, No. 20-cv-10832 (AT)(SN) (S.D.N.Y.)

Dear Judge Netburn:

We write on behalf of Defendants Ripple Labs Inc. and Christian A. Larsen (together, “Defendants”), to seek the Court’s permission to submit a combined letter motion, of seven pages or fewer, by both Defendants regarding a discovery dispute on which we have reached an impasse with the Securities and Exchange Commission (“SEC”).

We believe that a combined letter of seven pages or fewer, which is below the five-page-per-party limit provided by Section II.C of the Court’s Individual Practices in Civil Cases, best serves the interests of judicial economy and efficiency, given the overlapping nature of many of Defendants’ arguments.

The SEC consents to Defendants’ request, and we consent to the SEC filing a response that falls within the same requested page limit.

Respectfully submitted,

/s/ Michael K. Kellogg
